

*Picking up where others leave off*

# BL-3 Lightning Loader<sup>®</sup>

## Speed

- Stay on route while loading multiple containers
- Load and haul bulk waste using same truck

*Optional Stationary Top-Mount  
Provides Greater Visibility*

## Safety

- Operator works safely off the ground, decrease Workman's Comp exposure
- Eliminate hand-loading
- ANSI 245 Compliant

*Dual Walk-Thru  
Standard Controls*

## Efficiency

- Accommodates most containers
- Maximize every load! Pick up bulk waste from multiple locations for a full load
- Maximum boom reach 20 ft with 4 ft extension

4000 SR 60 W • Lake Wales, Florida
